# FELLOWSHIP OF FRIENDS

C.S. Lewis wrote, "Friendship must be about something, even if it were only an enthusiasm for dominoes or white mice. Those who have nothing can share nothing; those who are going nowhere can have no fellow-travelers." (*The Four Loves*, pg. 99)

The monthly support of our *Fellowship of Friends* is truly "about something," and we invite you to join us as a "fellow-traveler" in this strategic effort to carry on the legacy of C.S. Lewis. Your support will help enable the recovery and renewal of Christian thought and expression where it counts, within our colleges and universities, where the leaders of tomorrow are being prepared today.

**With your monthly commitment of \$25 or more, you will receive a boxed set of 4 favorite audio recordings from our Summer Institutes together with the video, *The Christian Presence in the Contemporary University*.** This informative 12-minute video presents Christian faculty speaking on their experiences as scholars living out their faith on secular campuses.

**With your monthly commitment of \$50 or more, and for as long as you are a member of the *Fellowship of Friends*, in addition to the video and boxed set of 4 recordings, you will receive a bimonthly audio recording,** selected especially for you from among the finest presentations from our Summer Institutes and other conferences.

**Yes! I want to join the C.S. Lewis Foundation "*Fellowship of Friends*"**

Please charge my monthly pledge payment to the credit card listed below or have a Foundation staff contact me for other payment arrangements.
