

# PLANET NARNIA

Thursday 2 July, 7.30pm  
£3 (SO Live Friends Free)

---

**C.S.Lewis**, author of the Chronicles of Narnia, was an Oxford scholar with an extensive knowledge of 16th Century Literature.

But he also studied developments in science, and wove early theories of **astronomy** into his books.

**Dr Michael Ward** will explore the evidence and will be signing copies of his book 'Planet Narnia'.
