SUMMER INSTITUTE
July 28 - August 8, 2008

This Summer, Come Away to England!

Leave the stressful demands of your daily life behind. Join us in Oxford and Cambridge for a refreshing time of study, worship and celebration. Walk the historic lanes and garden pathways where C.S. Lewis himself was “surprised by joy.” Nourish your mind, body and spirit as you seek deeper and more satisfying answers to the questions: “Who am I?” “Does my life have a deeper meaning and purpose?” and “What is my role in the grand narrative of life?”

At **Oxbridge 2008**, explore the deep questions of faith with friends old and new. Be exposed to engaging presentations by renowned speakers. Enjoy superb performances of music, poetry, theatre and dance. Over the years, more than 3000 people have experienced the unique delights of the Oxbridge Summer Institutes.
